CARS

Key dates : Full event needed

KEY RESPONSIBILITIES :

- Photograph the various events without disturbing the participants
- Take photos of the stables in the PITS, while respecting the teams' work and environment
- Capture photos of volunteers in action
- Film volunteers during their activities, and in their daily life (hotel, shared moments, meals, behind-the-scenes, etc.)
- Record videos of the tests and events
- Capture the overall atmosphere of the competition
- Film the forum area and public spaces
- Highlight sponsors through photos and videos
- Conduct short interviews with visitors and participants, focusing on: the competition, their feelings, their overall experience and more

WHAT WE ARE LOOKING FOR ?

- Artistic eye
- Originality and creativity
- Ability to work independently and as part of a team
- Strong interpersonal and communication skills (English required)
- High reactivity and adaptability in a live event environment

WHAT IS INCLUDED ?

This is a volunteer position. No salary or compensation beyond what is explicitly stated below will be provided. Media Crew members provide their own equipment.

- Accommodation provided for the entire duration of the stay
- Full meal plan included for the entire stay
- Partial reimbursement of transportation costs
- Polos provided for the week
- A great atmosphere and plenty of good vibes
